ABSTRACT

- In our project we explore how a Todo List can organise everything .Simple tool to organise everything.*It's a list of tasks you need to complete, or things that you want to do.*Most typically, they're organized in order of priority. Traditionally, they're written on a piece of paper. As technology has evolved we have been able to create a todo lists with excel spreadsheets, word documents, [email](#) lists, todo list apps, microsoft to do and google to do list to name a few. You can [use a to do list](#) in your home and personal life, or in the workplace. There are Many Programs for Time Management which can Help Us. We Choose TodoList because it has an extra simple user interface and free.
